IMPORTANT POINTS

National Testing Agency (NTA) and Central Seat Allocation Board (CSAB) are two different and independent boards. NTA conducts JEE (Main) examination and publishes the All India Rank (AIR). CSAB-2020 uses the AIR prepared and published by NTA for seat allocation purposes. The same AIR will be used by CSAB-NEUT for admission to Engineering/Architecture courses. CSAB-2020 or CSABNEUT-2020 will use the candidate's data and AIR of JEE (Main) -2020 as provided by NTA without any modification.

1. Introduction

Government of India has an ongoing scheme of reservation of few seats in Engineering/Technology/Architecture/Pharmacy courses conducted at degree level Technical Institutions across the country approved by AICTE, for students belonging to 08 North East States (Arunachal Pradesh, Assam, Meghalaya, Mizoram, Manipur, Nagaland, Sikkim, Tripura) and 04 Union Territories (Dadra & Nagar Haveli, Daman & Diu, Andaman & Nicobar Islands and Lakshadweep) which do not have engineering colleges/polytechnics or have lack of facilities for education in specific field of technical education and for certain categories including foreign students. In order to have maximum possible participation of eligible students with utmost transparency, the Ministry of Education (erstwhile Ministry of Human Resource Development, MHRD) has taken a decision of conducting seat allotment on such seats through a Centralized Seat Allotment Board for North Eastern States and Union Territories (CSAB NEUT-2020). From the current year 2020, North Eastern Regional Institute of Science and Technology (NERIST), Itanagar, Arunachal Pradesh has joined as participating Institute for admitting students in different courses from the different north eastern states of the country. CSAB NEUT-2020 will make allotment of seats to candidates on the basis of their All India Rank (AIR) in JEE (Main)-2020 to the first year of Engineering/Technology, Architecture courses. Allotment for pharmacy will be on the basis of percentage of marks obtained in class XII. **It is important to note that these seats are other than those offered through CSAB-2020, which is for NITs, IITs & GFTIs.**

Important features of the admission procedure, admission schedule, list of Reporting/Help Centers [respective **Directorates of Technical Education (DTEs) of North Eastern States/Union Territories (UTs) and NERIST**], list of Participating Institutes with total number of seats, seat distribution in the Institutes etc., are given in this Information Brochure. Candidates are advised to read information brochure carefully and visit CSAB Portal (<https://csab.nic.in>) regularly for updates and for details regarding the entire online admission process as no postal communication will be used.

In case of any dispute arising out of the seat allocation process at any stage up to the final allocation of institute and/or branch, the decision of Chairman, CSAB-2020 shall be final and binding. The jurisdiction for legal disputes, if any, will be limited to the courts at **Prayagraj** only.

For smooth functioning of admission procedure resulting into maximum number of candidates getting admission to the course and institute of their choice and minimizing the number of vacant seats, it is advised that the candidates should carefully follow the admission procedure given in information brochure. The procedure offers enough flexibility at every round of allotment and candidates are urged to cooperate by not prolonging their final decision on admission after seat allotment. This will facilitate in catering to the needs of larger number of candidates seeking admission through CSAB NEUT-2020.
